Chris Harris, First a Black Cap and Now a Good Sport

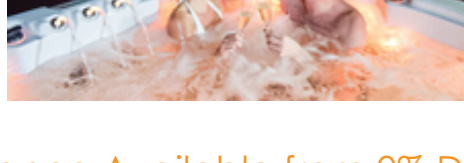

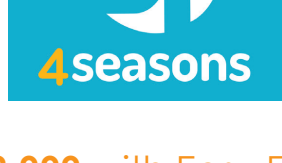

Stadium Finance is proud to announce Chris Harris as our Brand Ambassador. Who would have thought the legend with bat and ball would also be a legend with tassels and tap shoes!? We were bowled over by his efforts in DWTS.

Because we are Good Sports, we would also like to congratulate Sam Hayes for winning DWTS which has raised significant funds for her charity, Riding for the Disabled.

Stadium is a proud sponsor of the North Canterbury Riding for the Disabled so we know the benefit her donation will make to these special kids and the amazing horses and volunteers that make it happen.
